

St. Augustine Golf-a-thon Pledge Reporting Form 2017

Name: _____ Phone: _____

Raising Pledges for: _____

Please *neatly* complete the requested information for each pledge. This will make it much easier for the Collections team to send out the collections letter, which they graciously take off your shoulders.

The GOAL for each golfer is to pledge themselves \$1 per hole, then raise another \$24 per hole in pledges. That translates to \$2500 per golfer – easier than it might seem, but impossible if we do not ask. All pledges are gifts, and they are all gratefully acknowledged by the school. We simply ask you to *give it your all* in asking friends, business associates, etc., to match your own personal pledge. *[Most of us pledge \$1 per hole (or \$100 flat) and ask others to do the same. However, some pledge more to themselves, and some of us find generous friends who will pledge \$5, \$10 per hole, or even more. Again, “no ask”, “no pledge.”]*

Special Note:

Pledgers can now pay online at <http://saintaugustineacademy.com/golf-a-thon/>
(Note this is under the Events Menu on the home page)
