Co-founder
St. Augustine Academy

Dear Friend:

Saint Augustine Academy is an independent non-profit school serving kindergarten through twelfth grades. Founded in 1994 we are now in our 27th year of operation. We have achieved the elite status of being named one of the Top 50 Catholic High Schools in America – only one of three from California on the list.

As we are not a charter school nor do we have a parish to help with raising money, we depend solely upon tuition and fundraising for our financial needs. As our major fundraiser each spring, we depend heavily upon our annual **Golf-A-Thon**. This last spring we were unable to hold our event, thanks to COVID-19! That really put the financial crunch on us. But, thankfully, we are able to have it now, this fall and we hope to make up some of the lost fundraising ground we have suffered.

Your contribution will allow us to advertise your company on the day of the event as well as through our social media channels. Please consider a program ad, a sponsorship, or teaming up with someone else to achieve a sponsorship level this year.

Please select a level of support that you can provide us with and return the form. Don't hesitate to contact me if you have any questions about Saint Augustine Academy or the Golf-A-Thon Event at 805-672-0411.

Thanks for helping!

Tim Moore
Headmaster
